

SCHOOLS COMPUTERISATION PROGRAMME INTENSIFIES

The Ministry of Information Communication Technology (ICT), Postal and Courier Services together with the Postal and Telecommunication Regulatory Authority of Zimbabwe (POTRAZ) officially opened 14 Computer Laboratories at 14 schools in Masvingo Provinces on the 12th January 2023.

The Schools that benefited from the scheme are Kanongovere Secondary School, Chikwerengwe Secondary School, Rufamoyo High School, Mushayavanhu Primary School, Magombedze High School, Chimombe Mudyadzo High School, Mutambwi High School, Rumhizha High School, Mutendi High School, Zimuto High School, Chinyangana primary School, Mavhiringidze Secondary School and Nerupiri School Computer Laboratory.

Deputy Minister of Information Communication Technology (ICT), Postal and Courier Services Hon Dingumuzi Phuti said the challenges brought about by the pandemic have amplified the call for universal access to ICTs and the use of digitally based platforms. He said the world has come to the realization of the pivotal role that ICTs and the digital economy drive to connect all the people of the world virtually.

Zimpost was represented by the Masvingo Acting Regional Manager at the handover ceremonies.
